

Photo and video Opt-Out Policy

Holmfirth Town Junior Football Club may at times use photographs, audio, and/or video recordings of coaches, volunteers and children for purposes of education and publicity, via the Internet, print publications, and other media.

When you register to become a member of Holmfirth Town Junior Football Club you will be asked to give your explicit consent for the club to take and use photographs of your child. This is on the registration form. If you do not want your child's photograph to be taken or used whilst they are accessing the football club you can indicate it at registration.

If at any time after giving explicit consent you change your mind you can opt out using the form below (Appendix A). You must submit a completed Photo Opt-Out Form to the team's manager.

Individuals who submit a completed Photo Opt-Out Form are also responsible for removing themselves from areas in which photography and/or recording is taking place or notifying the camera operator of their opt-out status. Failure to do so may result in that individual's inclusion in a photograph or recording and will be treated as consent for Holmfirth Town Junior Football Club to utilise that photograph or recording accordingly.
