

HOLMFIRTH TOWN JUNIOR FOOTBALL CLUB

Over the summer of 2020 the FA have released various guidance documents to try to encourage the safe return of football against a background of continued concerns about the Covid-19 virus. FA guidance has been developed to ensure football activity remains as safe as possible and always reflects wider government covid-19 guidance. Holmfirth Town Football Club is committed to help our young players enjoy and feel safe in their football activities, and as such are fully adopting the FA guidelines.

Parents can help us to ensure that football activity can continue in a safe environment. We need parental support and as such ask that all parents of children enrolled with the club sign the declaration below to commit their support to our approaches to keeping everyone safe.

I confirm that I have read the Holmfirth Town Covid risk assessment and that I am supportive of the control measures suggested, and will endeavour to support the club in their implementation.

I further confirm that before my child attends any football training session or match, that we will undertake a self-assessment of our health in respect of Covid concerns. If any member of the household has any of the Covid symptoms, we will not attend any football sessions and will undertake the necessary Covid test

Covid symptoms:

- A High temperature
- A new, continuous cough
- A loss or change to your sense of smell or taste
